SUPPLEMENT TO
REPORT NO.

25X1A 1. [REDACTED] the Highway Administration of the Public Works Administration of the Public Works Ministry of the Chinese Communist Government began formulating plans and recruiting 1,200 workers to assist the Viet Minh Army troops in North Viet Nam in the improvement of transport facilities. The road surface of the highway leading from Thai Nguyen through Bac Kan to Cao Bang and that from Thai Nguyen to Langson and Chi Hsi* is to be widened from three meters to four meters. White sign posts thirty centimeters high will be placed along the highways at intervals of ten meters. The project is to be completed in early February 1951.

2. Two hundred thatch-roofed buildings have been erected on the Langson airfield, which is now being reconditioned.

25X1A * [REDACTED] Comment. Neither the Vietnamese equivalent nor the Chinese characters were received for this town.
